

On The Road To Solving Hunger in Idaho

In 2012, the Idaho Trucking Association (ITA) partnered with The Idaho Foodbank and Spokane's 2nd Harvest Food Bank to launch the Truckers Delivering Hope program. The goal was to apply the resources of the trucking industry to the challenge of hunger in Idaho, and in doing so, demonstrate the vital role the industry plays in maintaining the food supply.

What You Can Do

Backhaul and/or transportation

Participating companies dispatch drivers to pick up and deliver food to a facility operated by The Idaho Foodbank or Spokane's 2 Harvest Food Bank. Every dollar our partners save on transportation goes to support hunger-relief efforts that benefit working families, children and seniors.

Food and Fund Drives

Association members and their employees can host or participate in food and funds drives to benefit The Idaho Foodbank or 2nd Harvest Food Bank.

Kicked Loads

Loads rejected by retail or warehouse locations can be delivered to a facility operated by either The Idaho Foodbank or 2nd Harvest Food Bank.

Equipment Donations

The Idaho Foodbank operates a fleet of trucks to pick up and deliver dried, refrigerated and frozen foods to its facilities, as well as community partners statewide. Typically, these trucks are donated by companies that support the Foodbank's mission.

The Idaho Foodbank is an independent, donor-supported, nonprofit organization founded in 1984, and is the largest distributor of free food assistance in Idaho. From warehouses in Boise, Lewiston and Pocatello, the Foodbank distributes food for millions of meals each year through a network of more than 200 community-based partners. These include rescue missions, church pantries, emergency shelters and community kitchens. The Foodbank also operates direct-service programs that promote healthy families and communities through good nutrition.

Proud member of the Idaho Trucking Association.

The Idaho Trucking Association has been serving Idaho since 1937. Our mission is to serve and represent the interests of the trucking industry with one united voice. We work on behalf of the industry to positively influence local, state and federal governmental actions, and we devote association resources to bring about change that increases member efficiency, competitiveness and profitability. We do this through educational programs, public relations efforts, and the promotion of highway and driver safety.
