# School Pantry

a program of The Idaho Foodbank

IMPACT REPORT

JULY 2017

Together,  
we can solve  
hunger.

*During the school year, families and school-age children have access to emergency food in an environment that is both familiar and supportive. Pantries stock food items such as fruit, canned tuna, peanut butter, and pasta that are popular and easy to prepare. Families receive enough food to prepare nourishing meals for three to five days.*

## Recognizing The Need

Early in the Backpack program, the Foodbank staff recognized that more than 80% of participating students were sharing their weekend food with siblings and parents. Rather than make more food available in the packs, program specialists decided that a better solution would be to provide families with food through a pantry set up inside the school where access would be convenient for students and family alike. Since its inception in 2010, the School Pantry program has been responsible for distributing more than a million pounds of food to families in need.

The Idaho Foodbank is an independent, donor-supported, nonprofit organization founded in 1984, and is the largest distributor of free food assistance in Idaho. From warehouses in Boise, Lewiston and Pocatello, the Foodbank distributes around 1.5 million pounds of food each month through a network of more than 400 community partners. These include schools, food pantries, emergency shelters, feeding sites, and senior centers. The Foodbank also operates direct-service programs that promote healthy families and communities through good nutrition.
