The Giving Cupboard Choice Food Pantry has been serving food insecure families in Jefferson County since 2018. In 2020, the pantry added the Pay It Forward division that provides non-food items i.e. personal hygiene items, paper products, cleaning supplies and diapers for its clients.

Prior to COVID-19, the pantry was serving 55 to 65 families per week. Currently they are serving over 100 families per week. The average family size is five people. Through the amazing support of the volunteers and community, they are providing food for over 2,000 Idahoans each month.

The pandemic has prevented the pantry from serving its clients inside the building, so the volunteers quickly turned the program into a drive-through pantry. Literally overnight, and with the aid of dedicated volunteers, they have not missed a single distribution through this difficult time.
