

**Million Meals in March (MMM)
Corporate Challenge
(Internal or vs. other companies!)
March 1 to March 31, 2023**

MMM IS A COMPETITION – In its 7th year, local businesses participate in a creative competition to raise funds, collect food, and volunteer - with all proceeds going to The Idaho Foodbank. You can have the various departments or locations within your company compete against each other OR compete against other companies!

MMM MEANS FOOD FOR NEIGHBORS FACING TOUGH TIMES - Donor support in terms of food and funds is always highest in November through December, but unfortunately hunger in Idaho is not limited to the holidays. MMM is a campaign to spread awareness and raise food and funds for our neighbors in need. You can read our [annual report here](#) to learn more about hunger in Idaho.

MMM IS FUN! - You choose the team-building and fundraising activities that fit your office's culture. Every dollar raised, food item collected, and volunteer hour given earns points that help you win one of several awards. Be as creative as you want!

MMM IS EASY - We provide you with the tools and support needed.

HOW DOES IT WORK? - Accrue points (detailed below) and compete within your own company or against other companies to win! It's so simple but makes a BIG impact!
